Engaging the Next Generation of Aviation Professionals Suzanne K. Kearns, Timothy J. Mavin, Steven Hodge, 2019-11-08 Engaging the Next Generation of Aviation Professionals is an edited volume that brings together a diverse set of academic and professional perspectives within the three themes of attracting, educating, and retaining the next generation of aviation professionals (NGAP). This compilation is the first academic work specifically targeting this critical issue. The book presents a rich variety of perspectives, academic philosophies, and real-world examples. Submissions include brief case studies, longer scholarly works from respected academics, and professional reflections from individuals who have made important contributions to their field. The book includes academic chapters that explore the topic from a more theoretical standpoint yet are accessible and understandable to a professional audience. These are complemented by both broad and specific practice examples that describe initiatives and applications occurring in the industry around the three themes. All submissions include descriptive insights, experiences, and first-hand accounts of accomplishments, intended to support the work of other professionals managing NGAP issues. This work will be valuable to anyone involved in attracting, educating, or retaining NGAP, including academics, operators, national and international regulators, and outreach coordinators, among

many others.

A Spanish Learning Grammar Mike Thacker, 2013-10-08 Its carefully devised two-part structure mirrors the learning process, allowing you to focus on acquiring core knowledge before confidently progressing to a more advanced understanding of Spanish. Revised with new vocabulary, such as topical and technological terms, to bring you up-to-date with Spanish in the digital age. A thoroughly revised verbs section, re-organised to make it even quicker for you to find key information on the tenses.
