

Conversations With Igor Stravinsky

Igor Stravinsky, Claude Debussy, Robert Craft, Ravel

Conversations with Igor Stravinsky Robert Craft, 2013-07-04 *Conversations with Igor Stravinsky* is the first of the celebrated series of conversation books in which Stravinsky, prompted by Robert Craft, reviewed his long and remarkable life. The composer brings the Imperial Russia of his childhood vividly into focus, at the same time scanning what were at the time the brave new horizons of Boulez and Stockhausen with extraordinary acuity. Stravinsky answers searching questions about his musical development and recalls his association with Diaghilev and the Russian Ballet. There are sympathetic and extraordinarily illuminating reminiscences of such composers as Debussy and Ravel ('the only musicians who immediately understood *Le Sacre du Printemps*'), while mischievous squibs are directed at others, most notably perhaps against Richard Strauss, all of whose operas Stravinsky wished 'to admit ... to whichever purgatory punishes triumphant banality'. The conversations are by no means confined to musical subjects, ranging uninhibitedly across all the arts: Stravinsky gives unforgettable sketches of Ibsen, Rodin, Proust, Giacometti, Dylan Thomas and T S Eliot. 'The conversations between Igor Stravinsky and Robert Craft are unique in musical history. The penetration of Craft's questions and the patience and detail of Stravinsky's answers combine to produce an intimate picture of a man who has sometimes puzzled, often delighted, and always intrigued ...' *The Sunday Times*

Conversations with Igor Stravinsky Igor Stravinsky, Claude Debussy, Robert Craft, Ravel, 1958

Conversations with Igor Stravinsky Igor Stravinsky, Robert Craft, 1959 Remarks on composing, musicians, contemporary music, Stravinsky's own life, and other topics. Includes a selection of photographs and letters.

Conversations with Igor Stravinsky Igor Fjodorowitsch Stravinsky, Robert Craft, 1958

Expositions and Developments Igor Stravinsky, Robert Craft, 2023-11-10 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1962.

Memories and Commentaries Igor Stravinsky, Robert Craft, 1981-01-01 For the first time in one volume--the celebrated Stravinsky and Craft Conversations Few would dispute that Igor Stravinsky was the greatest composer of the twentieth century. Conductor and writer Robert Craft was his closest colleague and friend, and for over twenty-one years he lived with the Stravinskys in their Hollywood home. In the early 1950s he accompanied the composer on his concert tours, and from the mid-1950s to Stravinsky's death in 1971 he co-conducted his concerts. Together Stravinsky and Craft published five acclaimed collections known as the Conversations series, which sprung from informal talks between the two men. In this newly edited and re-structured one-volume version, Craft brings Stravinsky's reflections on his childhood, his family life, professional associates, and personal relationships into sharper focus and places the major compositions in their cultural milieu. The Conversations books are the only published writing attributed to Stravinsky that are actually by him in terms of fidelity to his thoughts and opinions, making this volume required reading for all fans and students of Stravinsky's music.

Experiencing Stravinsky Robin Maconie, 2013-02-28 Hear the name "Igor Stravinsky" and the first thing that comes to mind is a composer of ponderous, "serious" music. But did you know that Stravinsky lived much of his life in Hollywood? That he collaborated on musical projects with Pablo Picasso and George Balanchine? That his work subtly espoused deeply held political views and reflected key literary influences? That he was not only interested in the modern communication technologies of his time—sound recording, radio, television, even early computers—but wrote music that echoed their impact? In *Experiencing Stravinsky*, music historian Robin Maconie takes a fresh approach to understanding this great composer's works, explaining what makes Stravinsky's sound unique and what we, as listeners, need to know in order to appreciate the variety and brilliance of his compositions. *Experiencing Stravinsky* is more than just another work of music appreciation. In the author's deft hands, Stravinsky's long musical career is a guided tour through 20th-century history, from Czarist Russia and two world wars to the height of the Hollywood era and the birth of the information age. Maconie has provided nothing less than an operating manual to getting the most out of Stravinsky's music.

Conversations with Joseph Flummerfelt Joseph Flummerfelt, Donald Nally, 2010-06-16 In *Conversations with Joseph Flummerfelt: Thoughts on Conducting, Music, and Musicians*, Donald Nally presents a window into the mind and heart of one of America's most celebrated and distinguished choral conductors. This captivating narrative traces Flummerfelt's formative years and influences, his most important artistic collaborations, and his approach to conducting and music. There is also a philosophical discussion of cultural influences and obstacles in art, how one teaches conducting, and the foundations of ensemble music-making. This book explores the conductor's early career influences from musicians such as Robert Shaw and Nadia Boulanger and reveals his thoughts on composers Igor Stravinsky, Samuel Barber, Benjamin Britten, and Olivier Messiaen, among others. Topics range from his approaches to style, conducting gesture, sound generation, and choral sound to the psychology of music-making and the contemporary environment of art-making. Nally's interview style captures the

energy and rhythm of Flummerfelt's speech so the conductor's voice and passion is readily evident. Through these intimate conversations, Flummerfelt reveals his life, art, and ideas—from close collaborations with some of the world's greatest orchestral conductors to his work as artistic director of Westminster Choir College. More than thirty photos present a visual record of Flummerfelt's collaborations with many of the great musicians of our time; a biographical timeline, list of collaborating orchestras and conductors, and discography are also included. Book jacket.

Stravinsky Robert Craft, 1996 For the last twenty-three years of Igor Stravinsky's incredibly full life, the noted musician, conductor, and writer Robert Craft was his closest colleague and friend, a trusted member of the Stravinsky household, and an important participant in virtually all of the composer's worldwide activities. Throughout these years, Craft kept a detailed diary, impressive in its powers of observation and characterization. This diary forms the basis for *Stravinsky: Chronicle of a Friendship*, now released in this substantially revised and enlarged edition.

Dialogues Igor Stravinsky, Robert Craft, 1982

Dialogues and a Diary Igor 1882-1971 Stravinsky, Robert Craft, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

When Stravinsky Met Nijinsky Lauren Stringer, 2013 Composer Igor Stravinsky and choreographer Vaslav Nijinsky, Russian comrades, worked together to bring a very different and new ballet to a Parisian audience. *The Rite of Spring* and rioting filled the streets! Full color.

Teaching Stravinsky Kimberly A. Francis, 2015 It was her love of music - especially Stravinsky's music - that drew them together. This book tells the story of the ever-changing nature of Boulanger and Stravinsky's relationship from Boulanger's perspective, tracing their interactions from 1931 to 1971. Throughout, it asks how Boulanger's professional activity during the turbulent twentieth century intersected with her efforts on behalf of Stravinsky and how this facilitated her own influential conversations with the composer about his works while also drawing her into close contact with his family.

Stravinsky's Late Music Joseph N. Straus, 2004-03-25 The first book to be devoted to the music of Stravinsky's last compositional period.

Conversations with Beethoven Sanford Friedman, 2014-09-02 Inspired by the famous composer's notebooks, this

biographical novel offers “a perfect portrait of an irascible genius” and “revelatory fossils of the last year of Beethoven’s anguished life” (Edmund White) Deaf as he was, Beethoven had to be addressed in writing, and he was always accompanied by a notebook in which people could scribble questions and comments. In a tour de force fiction invention, *Conversations with Beethoven* tells the story of the last year of Beethoven’s life almost entirely through such notebook entries. Friends, family, students, doctors, and others attend to the volatile Maestro, whose sometimes unpredictable and often very loud replies we infer. A fully fleshed and often very funny portrait of Beethoven emerges. He struggles with his music and with his health; he argues with and insults just about everyone. Most of all, he worries about his wayward—and beloved—nephew Karl. A large cast of Dickensian characters surrounds the great composer at the center of this wonderfully engaging novel, which deepens in the end to make a memorable music of its own.

Poetics of Music in the Form of Six Lessons Igor Stravinsky, 2007-03-01 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Unanswered Question Leonard Bernstein, 1976 Leonard Bernstein's Norton Lectures on the future course of music drew cheers from his Harvard audiences and television viewers. In the re-creation of his talks, the author considers music ranging from Hindu ragas through Mozart and Ravel to Copland, Schoenberg, and Stravinsky.

Unveiling the Magic of Words: A Report on "**Conversations With Igor Stravinsky**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring.
