The renegade skraylings, the guisers, are still plotting – their leader, Jathekkil, has reincarnated as the young Prince Henry Tudor. But while he is still young, Mal has a slim chance of eliminating his enemies whilst they are at their weakest. With Sandy's help, Mal learns to harness his own magic in the fight against the guisers, but it may be too late to save England. Schemes set in motion decades ago are at last coming to fruition, and the barrier between the dreamlands and the waking world is wearing thin... She Lies in Wait Gytha Lodge, 2019-01-08 Six friends. One killer. Who do you trust? A teen girl is missing after a night of partying; thirty years later, the discovery of her body reopens a cold case in “a scorching portrait of friendship and its betrayal.” (Nicci French). “This enjoyably chilling suspense tale . . . conveys both the thrills and the dangers of being a teenager on the brink of adult independence.”—The New York Times Book Review On a scorching July night in 1983, a group of teenagers goes camping in the forest. When they wake in the morning the youngest of their group, Aurora Jackson, has disappeared. An exhaustive investigation is launched, but no trace of the teenager is ever found. Thirty years later, Aurora’s body is unearthed in a hideaway that only the six friends knew about, and Jonah Sheens is put in charge of solving the long-cold case. Back in 1983, as a young cop in their small town, he had known the teenagers—including Aurora—personally, even before taking part in the search. Now he’s determined to finally get to the truth of what happened that night. Sheens’s investigation brings the members of the camping party back to the forest, where they will be confronted once again with the events that left one of them dead and all of them profoundly changed forever. This searing, psychologically captivating novel marks the arrival of a dazzling new talent, and the start of a new series featuring Detective Chief Inspector Jonah Sheens. Praise for *She Lies in Wait* “A novel that literally makes you hold your breath then gasp out loud.”—Val McDermid “*She Lies in Wait* is an atmospheric, deeply satisfying, well-written mystery whose resolution rings true after lots of false leads and blind alleys. A remarkably adept first novel. One hopes there will be many more to come.”—Daily Herald “The mystery intrigues and twists, offering enough red herrings and moments of police procedural to please fans of the genre.”—Kirkus Reviews (starred review) “What a marvel! A corkscrew-twisty, knife-sharp thriller—yet it doubles as a tender ode to loss and longing. Prepare to be haunted.”—A. J. Finn, author of the New York Times bestseller *The Woman in the Window*

Tell Me Lies Carola Lovering, 2018-06-12 Now an original series on Hulu! Catch up on Season 1...Season 2 streaming now! “A twisted modern love story” (Parade), *Tell Me Lies* is a sexy, thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn’t let go of. The one you’ll never forget. Lucy Albright is far from her Long Island upbringing when she arrives on the campus of her small California college and happy to be hundreds of miles from her mother—whom she’s never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no one else has, and she’s quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy’s heart. Lucy knows there’s something about Stephen that isn’t to be trusted. Stephen knows

Lucy can't tear herself away. And their addicting entanglement will have consequences they never could have imagined. Alternating between Lucy's and Stephen's voices, *Tell Me Lies* follows their connection through college and post-college life in New York City. "Readers will be enraptured" (Booklist) by the "unforgettable beauties in this very sexy story" (Kirkus Review). With the psychological insight and biting wit of *Luckiest Girl Alive*, and the yearning ambitions and desires of *Sweetbitter*, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of letting go—even when you know you should.

The Lies About Truth Courtney Stevens, 2015-11-03 In the same vein as Jandy Nelson and Gayle Forman comes a novel from the gifted author of *Faking Normal*, Courtney C. Stevens, about hope and courage and the struggle to overcome the pain of loss. Sadie Kingston is living in the aftermath. A year after surviving a car accident that killed her friend Trent and left her body and face scarred, she can't move forward. The only person who seems to understand her is Trent's brother, Max. As Sadie begins to fall for Max, she's unsure if she is truly healed enough to be with him. But Max looks at her scars and doesn't shy away. And Max knows about the list she writes in the sand at the beach every night, the list of things that Sadie knows she must accomplish before she can move on from the accident. And while he can help her with number six (kiss someone without flinching), she knows she's on her own with number three (forgive Gina and Gray) and the rest of the seemingly impossible tasks that must be made possible before she can live in the now again.
